### #300 LA SALLE ANNIVERSARY

This year in November there is the opening of a Giubilee year for the three hundred year anniversary of la Salle we are doing this to remember our founder. His name is John the Baptist de la Salle. His inspiration was that he felt the need to fight ignorance. He started imagining the creation of a school for the poor, after a while he acted giving free lessons then he shared the Christian education with other teachers.

This year there are a lot of initiatives to remember this special occasion.

The first is the 18th November in our church in school. The Bishop of Treviso father Agostino Gardin is opening our holy door. This event will involve all the young people of the campus.
