Group 1 = La Salle Primary Schools' Games

La Salle primary schools' games started Thursday the 9th of May in the evening at eight o'clock. Classes 5 and 4 of our school, La Marmora from Biella, San Giuseppe from Torino, La Salle from Vercelli, Gonzaga from Milano, San Giuseppe from Milano and us Filippin La Salle International Campus. Each school presented a dance and song then we all sang the new La Salle song for the 300th Anniversary "one heart, one Commitment, one life". The day after Friday, the 10th at nine o'clock the athletics trials began with races, long Jump, throwing the vortex. After we did relay racing. In the afternoon we had football matches and ball games. At 5 o'clock there was the prize giving. On Saturday the 11th from nine o'clock to eleven o'clock we did swimming races and at half past eleven we had the prize giving. We arrived 2nd. We liked these games because we enjoyed ourselves very much and it was great meeting other pupils from the 'La Salle Family'.

Article 4 Group 2 Radio Luce – Radio Project

For the Radio Luce project teacher Marcella divided us in four groups, two groups with four pupils and another two groups of five. Every Tuesday we went to Radio Luce where Roberto the DJ assisted us. All of us had a part. For example one of us used the mixer, one the vinile records ... The programme started with the presentation after there were the stories of the stars in the sky. Then there were jokes after the jokes there was the news, apart from the fourth group which interviewed Matteo Cappelletto an expert Beatboxer. We weren't the only class to do the project of Radio Luce, also other class 5s did it in the past. It was a very exciting experience.

ARTICLE 4 GROUP 3

Class 4 and our class are on a penfriend project we write letters to our penfriends.

We started last year when we were in class 4. In February we wrote our latest letter.

We have penfriends in England class 6 Bleakhill school .St.Helens.

Before christmas class 4 wrote their first letter and before Easter they received a reply.

Now class 4 are writing a reply about a typical day at school. They started the project this year

With the children of class 6 Francis and class 6 Benedict of la Salle Catholic primary school

In Karen, Nairobi, the capital of Kenya in Africa.

Class 4 are writing letters because it is la Salle school like ours but like us want to exchange cultural information and understand what school and life is like in another country.

Now we are writing a final thank you card to our friends in England. It has been a lovely project for us.

Good luck for the continuation

A TRIP TO VERONA

On the 26th of March, class 5 went on a trip to Verona with teachers Deborah and Marcella. At 7:30 we were already at the Filippin swimming pool meeting point. We went on a bus and we had a journey of 2:15. When we were on the bus we talked, we played and we listened to some music.

OOOh, we arrived! We went in a park to eat and play some games. The boys played soccer and a type of game, like drafts but without pieces... we were them. At 10:30 we went to a theatre. In the theatre we watched a show called Robbie the Robot. It was very cool!!! It was about 2 hours long. After that we went again to the park to eat our lunch. We played a little bit and we went again on the bus, to return to school. It was beautiful, we loved it! But we were a little bit sad because we wanted to go in the centre of Verona. We said thank you for a long time to teacher Deborah and Marcella.
