Class 5

Article 3 group 1

At the end of the Christmas holidays class 1 started :

the Pinocchio Lab.

This Lab consists of different activities: they watched a film of Unicef, in the video there is Pinocchio and he speaks about children's rights. Then they made Pinocchio marionettes made of paper that they coloured. The arms and legs can move. They made paper masks of the various characters from the story too. Then they wrote some parts of the story and they are going to make masks for Carnivel of the characters of the story.

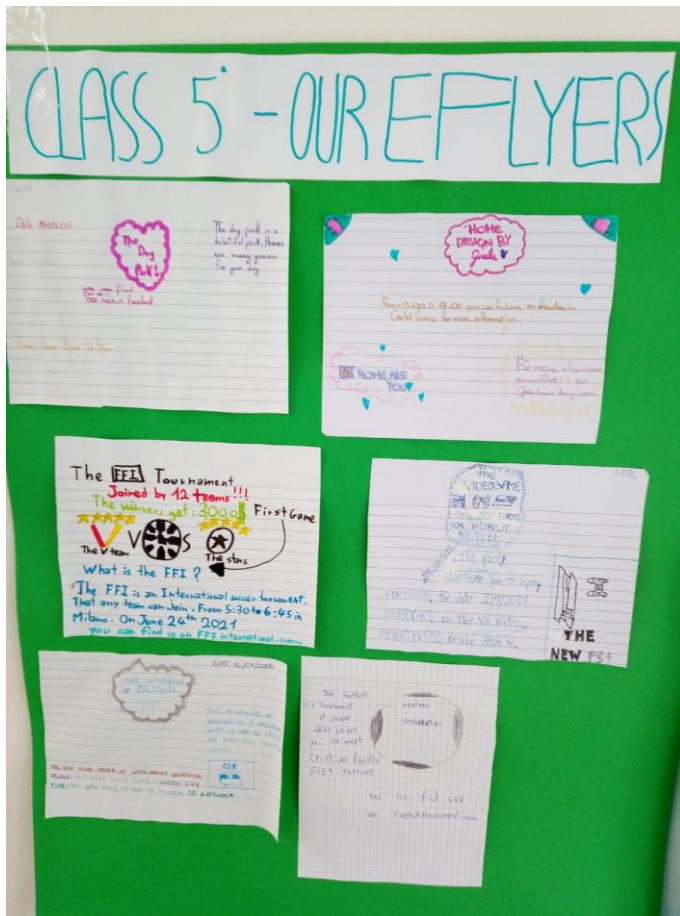

We know that they liked doing the Lab so much and even teacher Chiara too!

C 5 –CREATING AN E-FLYER

ON TUESDAY 12/1/2021 CLASS 5 MADE E-FLYERS IN CLASS IN THE AFTERNOON. WE DID IT BECAUSE WE WERE STUDYING THEM IN OUR ENGLISH ACTIVITY BOOK. THE E-FLYER HAS A LOT OF DETAILS: TITLE: MAKES CLEAR WHAT THE EVENT IS ALL ABOUT. SHORT PIECES OF TEXT: MAKES A LIST ABOUT WHAT IS HAPPENING AT THE EVENT AND ONLY IMPORTANT INFORMATION OF THE EVENT. MORE INFORMATION: IS ABOUT WHAT TO DO IF YOU WANT TO GO TO THE EVENT OR TO FIND OUT MORE. WE REALLY ENJOYED THIS ACTIVITY.

The Jurassic Class

On Thursday 21st of January class 3 participated in a laboratory called Jurassic Class. They did this laboratory with teacher Daniela an expert of dinosaurs. Class 3 did this laboratory because they want learn more about dinosaurs. They made many lapbooks, a billboard and clay dinosaurs. Class 3 liked this laboratory a lot. They enjoyed it and were very happy.
