This year the fourth class went to a teaching museum called Livelet, to learn more of the life of humans in the past!

They also made some objects like whistles with clay.

They learned a lot about ancient humans and they had a lot of fun going around the museum.

For us it sounds fantastic, it was a beautiful experience.

CHESTNUT FESTIVAL

The chestnut festival started at 14:15 on the 26th of October and every class sang a song or did a dance in the arena of the school.

After we went in front of the primary school and our class reproduced a painting like a painting of: “ Vincent Van Gogh ”.

After we ate a lot of chestnuts and we drank very, very, hot tea.

We did this chestnut festival because every year the school does the chestnut festival to celebrate and have fun on this day.

This day was beautiful because everyone had fun and the pupils don't do school for two hours.
