## PRIMARY SCHOOL MAGAZINE PROJECT 2024/ 2025

Hello readers,

**Welcome back to our much awaited Primary School Magazine!**

This year class 5 primary have chosen the title:

**THE STRONG CLASS MAGAZINE**

The class will be reporting on news of class 5 this year. News in particular about activities and events taking place in the primary school but also about the campus in general.

As ever we hope you enjoy reading the first articles of this school year and appreciate the hard work the class puts into this project.

Watch this space for more.

## Article 1 - team 1 - Pastoral Project 24. 24

The pastoral project theme this year includes “Put Your Heart into It”. To help us understand the importance of putting your heart into something we are looking at some people who did great things for others using their heart. First we saw Joseph the king of dreams, then St. John Baptist de la Salle. Now we are seeing Martin Luther King. They are all great role models for us to try to help others.

Other schools in Italy are also involved in this theme and we made a video of our projects last year. This theme is to help us help other people in the world. Last year we did some fundraising activities to buy tables and chairs for a Lasallian school in Homa Bay Kenya.

This pastoral project is very interesting and fun.

**Asia, Edoardo, Tommaso, Sofia.**

## Article 1 - Penfriends' Project - Update -Team 2

Class 5 write a letter to our penfriends about 3 times a year. Our penfriends go to school in St.Helens, England and are in class 4. We do this project to practise our English and to talk to other kids about what they do in their country. It is so interesting. We started this project last year and this year we are continuing with our first letter about what we'll be doing at school this year.

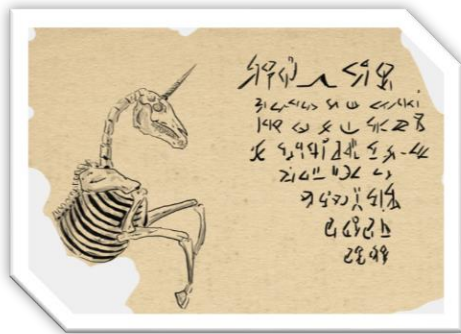

### Article 1 - Team 3 - Ancient Civilisations Laboratory

The 4th October 2024, in our class we spoke about ancient civilisations with Daniela an archeologist from the museum of Crocetta.

We did a laboratory about the ancient civilisations and we made a clay plate in the style of the ancient Greeks. We did this project to learn about ancient civilisations.

It was interesting and enjoyable.

**Leonardo, Alex, Lorelei, Gloria**

### ARTICLE 1 – TEAM 4 - OUR CAMPUS SPORTS FACILITIES

In our Campus there are many Sports facilities there is:

2 swimming pools 1 big and 1 small,

2 gyms,

2 basketball courts,

3 tennis courts,

a garden,

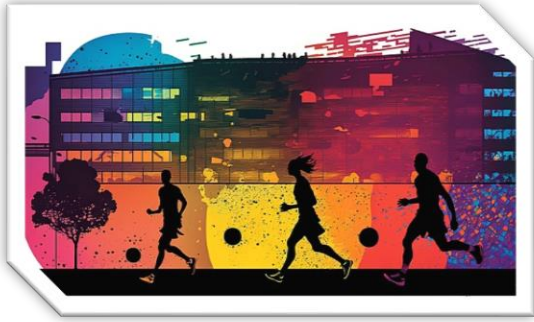

an arena,

an athletics track and

a volleyball court.

In our school we love doing sports and our facilities are great!

**Anna, Olivia, Nicolas, Marco.**
