

Article 3 – Team 1 – SHOW AND TELL

Last month we did a Show and Tell activity. We brought our favourite object to school.

Then we explained why we brought it, why we like it and how we use it, we also described what it looks like. For example Asia had a tennis racquet, Edoardo had a big Pikachu and Sofia had a pink teddy bear . Sole had a candle, Beatrice had a picture and Alex had a model of a red Ferrari f12.

Comment: it was an amazing experience to know our classmates favourite object.

Asia, Edoardo, Tommaso, Sofia

Article 3 – Team 3 – CARNIVAL AT OUR PRIMARY SCHOOL

On the 28th of February in our primary school had a Carnival Parade.

The 1st class had a mask with the theme THE FIELD, for example there was a caterpillar, a sun and a flower.

The 2nd classes had a mask with the theme THE ROAD SIGNS, for example the traffic lights and the zebra crossing.

The 3rd class had a mask with the theme THE DINOSAURS, for example T- Rex and the pterodactylus.

The 4th class had a mask with the theme ANCIENT EGYPT, for example Tutankhamon, Anubis and Cleopatra

The 5th class had a mask with theme ANCIENT ROME, for example gladiators and Roman women.

After the parade we ate crostoli and fritters. It was a great carnival, the last for our class in the primary school, sad.

Gloria G., Lorelei, Alex and Leonardo.

ARTICLE 3 – TEAM 2 – Trip to Rome

We went to Rome on 29th, 30th, 31st of January. On the first day we went on a guided tour with brother Emanuele, we saw the Spanish steps and the Pantheon. On the second day in the morning we went to the Vatican City and on the Cupola of St. Peter's Basilica. In the afternoon we went to a Lasallian school where we met other children, saw some bones of John Baptist de la Salle and had a little break. On the third day we went on a guided tour in the Colosseum and visited the Roman Forum where we also saw Trajan's Forum. In the afternoon we went back to school. It was a very interesting trip.

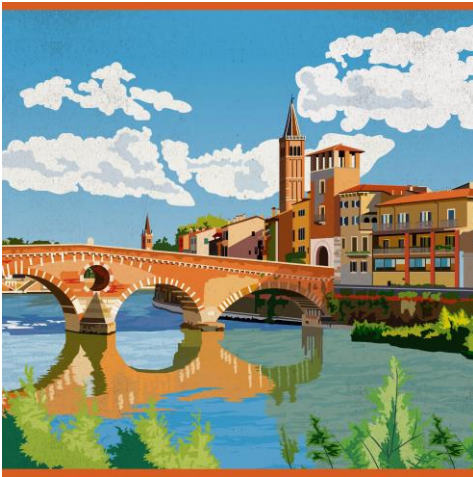

Amalia, Gloria S., Mattia and Pietro.

Article 3 – Team 5 – Trip to Verona

Thursday 23rd of January 2025 we went to Verona to see a show called William and the Sea People. During the journey on the coach we played UNO and we talked. The show was about William who was playing a videogame and got stuck inside it and played to save his friend. We went with Teacher Sophie and with Teacher Chiara. The show was very, very beautiful. For lunch we stayed in the theatre because it was rainy. On the way back we played UNO again.

Sole, Antonio, Cecilia, Beatrice, Jacopo.

ARTICLE 3 – TEAM 4 – STEAM PROJECT

Teacher Chiara has prepared a project called progetto STEAM to understand and use our abilities connected with the STEAM subjects: Science, Technology, Engineering, Art and Maths with classes 4 and 5. This project is lasting for 10 meetings.

On the first Friday we created the Mona Lisa with the technique of pixel art and we completed a rebus.

On the second Friday we finished the Mona Lisa and we drew an example of the cartesian plane. On the fourth Friday we made 2 mandalas and we coloured them. On the fifth Friday we started painting the solar system and we completed a rebus.

The project has 10 meetings.

We liked these 5 Fridays of the steam project and look forward to other meetings. They are great fun!

Olivia, Anna, Nicolas, Marco.
