

BREAKING NEWS!

Back in 2018 class 5 primary school took its first steps in shaping a magazine that has become a simple but historical collection of articles about activities connected to the primary school and the Campus in general.

Now, in this year celebrating 100 years of school here in the Filippin Campus, we are proud to present the first article of our new class 5.

We hope you enjoy following “ The Dreamers”, the title the pupils have chosen for this year.

OUR PRIMARY SCHOOL SPREADS IT'S WINGS

IN SEPTEMBER CLASS 4 AND CLASS 5 MOVED TO PADIGLIONE SAN TARCISIO BECAUSE THERE WASN'T ENOUGH SPACE LEFT IN PADIGLIONE IMMACOLATA BECAUSE THE STUDENTS ARE MORE THAN THE PREVIOUS YEAR.

IN SAN TARCISIO THERE ARE 2 CLASSES WHERE THERE ARE CLASS 4 AND 5, ANOTHER BIG ROOM FOR MUSIC AND ART, 1 LIBRARY AND A TEACHERS' ROOM. OUTSIDE THERE IS A COVERED PLAY AREA AND ANOTHER PLAY AREA. WE THINK THIS IS GOOD BECAUSE THERE ARE MANY STUDENTS AND WE HAVE A LOT OF SPACE. IT'S GREAT!

FILIPPIN SPORTS FACILITIES

In our school at 8:00 am on Wednesday we do activities like: swimming and gymnastics. We love doing these activities because it is exciting. Our teacher Paola is a good teacher. There is an after school club, too and we can do: basket, tennis, swimming, football. We love it when she teaches us new things. Every May we do a La Sallian sports day. That day we do running on the athletics track, throwing the vortex, basketball and weight throwing. These sports are lovely and exciting. it's a good thing to do in the spring. You can have a good refreshing ice cream after sports.

Clil – Daily Newspapers

We started a new project in Clil, with all the class.

We started the project 3 weeks ago in the Clil hours with teachers Maureen and Sara. We began with the daily newspapers and the definition, then we glued pictures of the most important newspapers in Italy and the world.

We also learned who works in a daily newspaper editorial team.

We began this project because we started talking about newspapers last year and liked it.

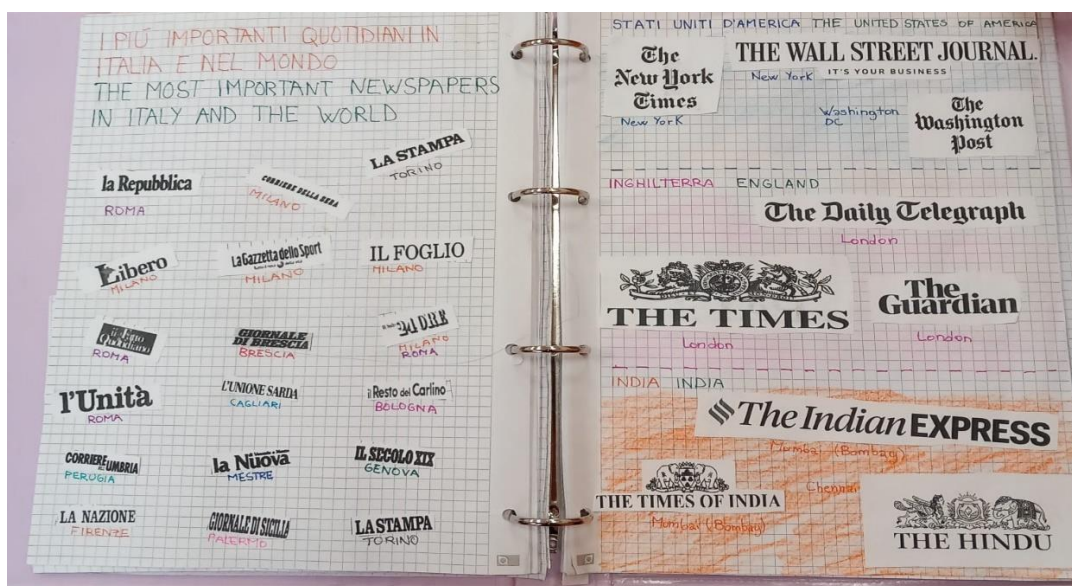

We think that this project is very interesting.

NEW HORIZONS FOR VILLA FIETTA

On Sunday 28th of September, there was an event at Villa Fietta and we had a party. The Brother superior General of The De La Salle Brother Armin Luistro FSC inaugurated the new nursery school. Some parents, teachers and pupils and the brothers came and in front of the new nursery door, our Head Master blessed the school and the Brother superior cut the ribbon. After you could visit the nursery and see plans for other projects planned. Then we had a buffet to celebrate.

It was fantastic.
